

Life of Fred Placement Test
Fractions, Decimals and Percents, Pre-Algebra

Answers: Placement Test – Fractions, Decimals and Percents, Pre-Algebra

1. XCIX (not IC)
(Life of Fred: Fractions, Chapter 13)

2. $6 \frac{57}{64}$
(Life of Fred: Fractions, Chapter 13)

3. Subtract 24 and then divide by 6. (not Divide by 6 and then subtract 24)
(Life of Fred: Fractions, Chapter 13)

4. 72.8"
(Life of Fred: Decimals and Percents, Chapter 27)

5. 1,323 haven't been lent.
(Life of Fred: Decimals and Percents, Chapter 25)

Interpretation of Placement Test Results

If your child misses most or all of the first three questions (#1, #2 & #3), start with "Life of Fred: Fractions".

If your child misses either of the last two questions (#4 & #5), start with "Life of Fred: Decimals and Percents".

If your child gets all of these questions correct, or misses only one of the first three questions (#1, #2 & #3), your child should be ready for "Life of Fred: Pre-Algebra 0 with Physics".
