

IMPORTANT NOTICE

We recognize and respect that each of us will have differing opinions regarding COVID-19 and the necessity of these restrictions. We want everyone to feel safe and welcome in our shop while we comply with these government-mandated regulations. Regardless of how you feel about all of this, we ask that all visitors to our shop graciously comply with these restrictions out of deference to those who have a higher level of concern, and to us. If we get sick, the shop closes and we won't be able to help anyone.

If you are uncomfortable or unable to comply with any of these requirements, we will be happy to serve you by phone, email, or our website, and deliver products via shipping or curbside pickup.

In-Store Customer Guidelines:

- **IF WITHIN THE PAST 7 DAYS YOU HAVE HAD ANY SIGNS OR SYMPTOMS OF AN INFECTION SUCH AS A COUGH OR FEVER, PLEASE DO NOT COME TO OUR SHOP.**
- Limit: **10 in-store customers**, including children. We have a self-metering system at the entry.
- For the time being, we encourage you to leave your small children at home. This will allow more parents in the store at any given time. If you bring children, they will need to stay near you. The playroom is currently closed.
- Per Governor Walz's Executive Order 20-81, **Masks are Required**. Masks will be provided if needed. We understand this is uncomfortable for some. However, we are required to follow the Governor's Executive Orders, and we appreciate your help in making everyone feel safe in our shop, regardless of your personal sentiments.
- **Customers are required to wash with soap and water for at least 20 seconds**, or with hand sanitizer, before touching products. Please do not touch your face after washing.
- Please practice social distancing of 6 feet from those who did not arrive with you.
- Please cover any cough or sneeze with your sleeve or Kleenex tissues, which are readily available throughout the store.

Thank you in advance for your understanding and cooperation. We look forward to operating normally again without these restrictions, hopefully very soon. We're praying that you and your extended family remain healthy and safe!

Blessings,
Brad & Nancy Bjorkman
